Physician Care Manager - Custom Reports **Main Menu**

Physician Care Manager - Custom Reports **Facility Menu**

Administrative Reports – Registration

Registration – Custom Reports **Main Menu** Test

The screenshot displays a software interface with a main menu on the left and a detailed list of reports on the right. The 'Administrative' menu is expanded, showing sub-menus for 'Registration' and 'Custom Reports'. The 'Registration' sub-menu is further expanded to show a long list of reports, including 'Admissions - Registration Admission Detail', 'Admission Discharge Transfer List', 'Age Statistical Report', 'Census List - Alpha Inpatient', 'Daily Ambulatory Care Clinic Statistics', 'Discharge Register Detail', 'Patient Activity Report', and many others.

Registration - Custom Reports **Facility Menu** Live

- GBGH only has report under facility menu

The screenshot shows a facility menu with a list of options. The 'GBGH' option is highlighted in green. Below it, a sub-menu is open, showing 'Patient Print Form' and 'GBGH Shared Registration' as available options.

Ancillary Reports – Pharmacy

Pharmacy – Custom Reports Main Menu

Pharmacy - Custom Reports Facility Menu

- All sites Shared Pharmacy include the same reports

- All sites except CGMH have facility specific reports
