

CARE4 MODULE NAME: Diagrams in Documentation

Note: Diagrams in documentation SHOULD only be used in the Emergency Department. These diagrams are only available as a pilot – their use will be evaluated in other areas after go-live.

- When in the ED Report, click **Add Content**.

The screenshot shows the 'ED Report' interface. At the top, there are buttons for 'Preview', 'Rapid Entry', and 'Ready for Discharge'. Below this, there are tabs for 'Triage Ref', 'ED NOTE', 'Proc', 'MDM', 'Discharge Plan', and 'Sign Out'. The 'ED NOTE' tab is active. Underneath, there are sections for 'Triage Reference', 'ED Note', 'Assessment', 'Problem', and 'Reassessment'. The 'ED Note' section has an 'Add Content' button highlighted with a red box.

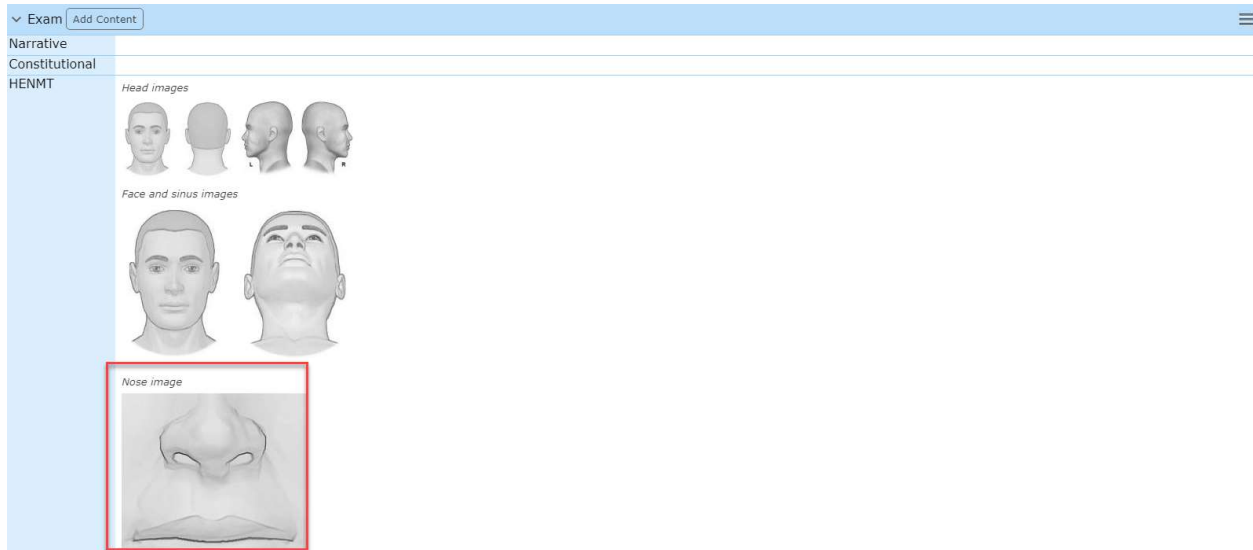

- Search for **Exam** and select **Exam** in the drop down box.

The screenshot shows the 'Add Section' dialog box. At the top, there are buttons for 'Exit' and 'Apply'. Below this, there is a search bar with 'exam' entered. A dropdown list shows several options: 'Annual Exam', 'Biomechanical Exam', 'Diabetic Foot Exam', 'Exam', 'Mini Mental Status Exam', and 'Objective Exam'. The 'Exam' option is highlighted with a red box. To the right of the dropdown, there is a message that says 'There are no eligible sections.'

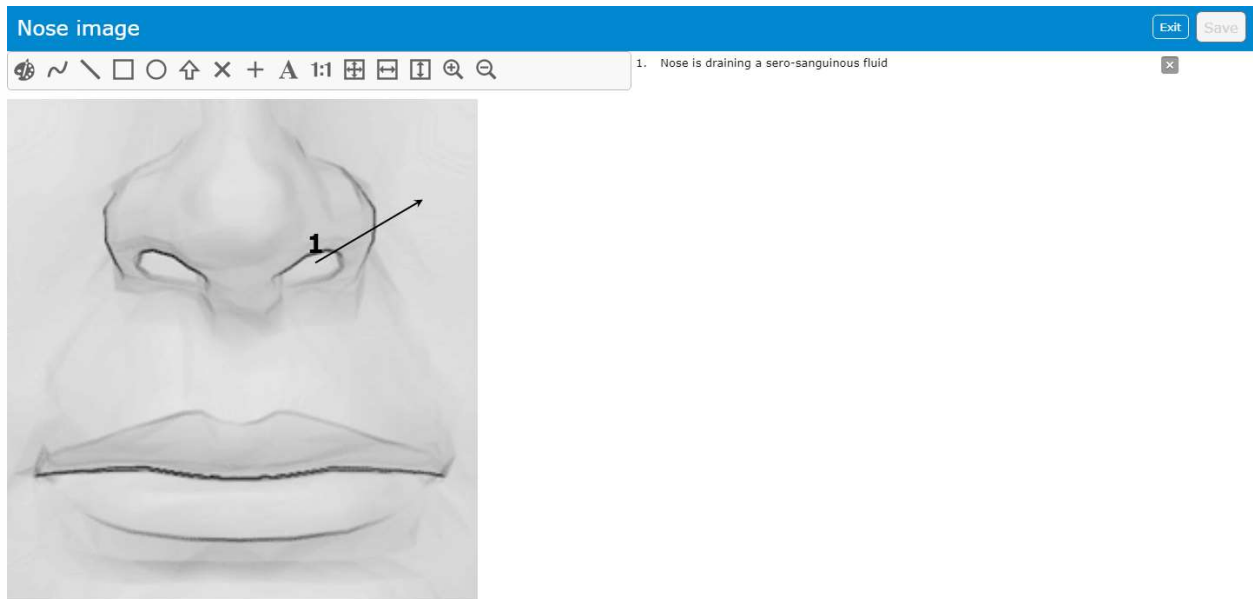

- Select **Apply**.

The screenshot shows the 'Add Section' dialog box. At the top, there are buttons for 'Exit' and 'Apply'. Below this, there is a search bar with 'Search Sections' entered. A dropdown menu is open, showing 'Type' and 'View Selected' with a '1' icon. The 'Apply' button is highlighted with a red box.

- Select the image that you wish to document on.

- Annotate the image using the various buttons.

- Select **Save** and complete any other documentation before signing the document.
