CARE4 MODULE NAME: AMBULATORY
## Logging in to Expanse for AMB

WEB AMB is a web-based module. You need to log on using the following application

 or

These can be selected from your desktop or from your start menu

NOTE: When signing on to Expanse, if you choose this application you will **NOT** have access to the Ambulatory module Clinical Home Screen as this is not the Web application.

NOTE: If you have signed on to the WEB application and you don't have access to the Clinical Home Screen, check the subdivision to ensure you are in AMB
