

# eMAR Interpretation

## Coloured Schedule Cells appear beside the medication times

- White cells – available scheduled medications
- Grey cells – unavailable scheduled medications
- Red cells – past due scheduled medications that have not been administered (display the past due time in minutes, hours, and days)

## Unverified/Unacknowledged/Rejected

- Unverified- has not been reviewed by Pharmacy
- UnAcknowledged- nursing/allied health need to review and acknowledge the order prior to administration
- Rejected- something in the order is not correct and nursing/allied health have to reject the order and will discuss with Pharmacy or Provider
