The Canadian government's Ministry of Health's standards state that all patients must be notified of any blood/blood products they receive. This letter is to inform you that while you were a patient at Royal Victoria Regional Health, you received a blood/blood product. Please know that the blood you received was collected from volunteer Canadian donors and was carefully screened and tested for infectious diseases by the Canadian Blood Services.

Les normes du ministère de la Santé du gouvernement canadien stipulent que tous les patients doivent être avisés de tout sang ou produit sanguin qu'ils reçoivent. Cette lettre vise à vous informer que, alors que vous étiez un patient à Royal Victoria Regional Health, vous avez reçu un produit sanguin. Sachez que le sang que vous avez reçu a été prélevé auprès de donateurs canadiens bénévoles et qu'il a été soigneusement examiné et testé pour les maladies infectieuses par la Société canadienne du sang.
